# BUCKET MILKING MACHINE

## Reafrio 700 to 1200 Liters Vacuum Unit

- 700, 1000, 1200 Liters pumps;
- 40-liter Overhead Vacuum Tank in AISI 304 stainless steel, flanged edge and movable lids;
- Anti vibration shoe;
- Belt tensioner and protector;
- Silent lengthener and blowback valve;
- Oil disposal tank;
- Vacuum oil lubricator.

## Reafrio 350 to 450 Liters Vacuum Unit

- 350 to 450 Liters pumps;
- 40-liter Overhead Vacuum Tank in AISI 304 stainless steel, flanged edge and movable lids;
- Belt tensioner and protector;
- Silent lengthener and blowback valve;
- Oil disposal tank;
- Vacuum oil lubricator.

## Basic 280 Liters Vacuum Unit

- 280 Liters Pump;
- Galvanized 25 liter vacuum deposit;
- Mobile vacuum deposit cover;
- Belt protector;
- Muffler with blowback valve;
- Vacuum gauge;
- Spring vacuum regulator;
- Vacuum oil lubricator.

### Reafrio gold milking unit

- Polysulfone base collector cover (Yellow);
- Orbital milk collector base 350 stainless steel;
- Imported pulsator;
- Teat cup set;
- 304 AISI stainless steel storage container lid;
- Type f cup in aisi 304 stainless steel;
- Milk hose;
- Double pulsation hose;
- Long vacuum hose;
- Tap and vacuum hose.

### Reafrio standard milking unit

- Polysulfone base collector cover (Yellow);
- Orbital milk collector base 450 stainless steel;
- Alternating pneumatic pulsator 60/40;
- Teat cup set;
- Type f cup in aisi 304 stainless steel;
- Taza tipo f en acero inoxidable aisi 304;
- Milk hose;
- Long vacuum hose;
- Double pulsation hose;
- Tap and vacuum hose.

### Reafrio Basic Milking unit

- Polysulfone base collector cover (Yellow);
- Orbital Milk Collector-Base 350 (Plastic);
- Alternating pneumatic pulsator 60/40;
- Teat cup set;
- 304 AISI stainless steel storage container lid;
- Type f cup in aisi 304 stainless steel;
- Milk hose;
- Double pulsation hose;
- Long vacuum hose;
- Tap and vacuum hose.

### Reafrio vacuum adjustment kit

#### 350 Liters pumps

- Spring Vacuum regulator;
- Vacuum gauge with glycerin.

#### 450 and 1200 liters pumps

- Servo assisted vacuum regulator;
- Vacuum gauge with glycerin.

### Basic vacuum regulation kit

#### 280 Liters pumps

- Servo assisted vacuum regulator;
- Vacuum gauge.
